

GAMES VILLAGE – CISC 2008 – KINGSTON JAMAICA

The CISC 2008 Games Village is situated at Rex Nettleford Hall at the University of the West Indies, Mona Campus. The 800 room Halls of Residence is nestled comfortably in the foothills of Jamaica's famous Blue Mountain Peak.

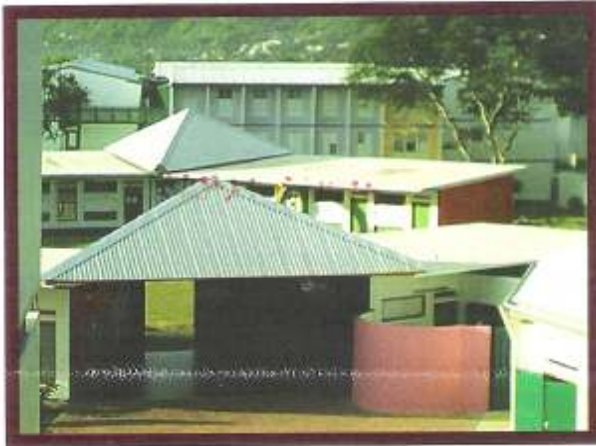

The accommodations are grouped into NINE (9) clusters of flats. Each individual cluster consists of twelve (12) flats accommodating a maximum of 96 persons. Clusters are divided into blocks which are sub-divided into 3 eight room flats.

Each flat contains **eight (8) single self-contained rooms** which share the use of a common living area, kitchen, two (2) showers, and three (3) toilets. Each bedroom is furnished with a closet, chest of drawers, desk and single bed.

The Village provides bed linen, pillows, and pillowcases. These will be changed every three (3) days. Towels will not be provided.

Everyone must bring their **own towels** for bathing and competition.

Facilities will include laundry (rates will be provided in the Village handbook), internet café, and the rental of fans for individuals.

At or near the Village are vending machines, a supermarket, fast food franchises, bank ATM
