SPONSORED KARL DALHOUSE MEET DIVES OFF

2010 runner up Sportswoman of the Year, Alia Atkinson highlights the 16th staging of the Karl Dalhouse Memorial International Swim Meet to be held at the National Stadium Pool this week end (Feb 4-6).

Three hundred and sixty one (361) Age-group, Senior and Masters swimmers will strive to make qualifying times or score points for their club in this 2011 staging, which has the distinction of being the first club meet in Jamaica to be a qualifier for the FINA World Championships (Shanghai, China, August 2011).

This year's event has benefitted from the generosity of LIME in the form of a generous sponsorship.
