

BILL CODY, a Caribbean stalwart passes away

Our thoughts and prayers are today with Rose Cody, whose husband Bill passed away this morning. Bill has been a pillar in the aquatics world for many years, serving many roles, including the position of CCCAN Treasurer until July 2010. Soft spoken and reliable, Bill loved anything to do with aquatics and often supported Rose in her effort to develop CCCAN, UANA and World Synchronized Swimming.

Bill will be missed, but his love for the sport, his integrity and honesty will be the legacy that resounds within us for years to come.

Rose, the prayers and thoughts of the Jamaican Swimming Fraternity are with you and your family.
