

PLEASE NOTE:

We have published the long course meter top-5 rankings in the interest of swimmers who are attempting to qualify for the 2016 CARIFTA swimming championships. This ranking is based mainly on local meets since October 1, 2015. Errors and omissions should be sent to aquaticsja@gmail.com by January 15th. Registered swimmers with results from additional long course meets can submit their results for inclusion in the next publication. These should be sent in to aquaticsja@gmail.com by January 15th and must include a copy of the official results, or the URL where the official results can be found.

We plan to publish short course meter top-5 rankings by January 30, 2016. Registered swimmers with results from short course meter meets can submit their results to aquaticsja@gmail.com by January 25th and must include a copy of the official results, or the URL where the official results can be found.
